## SEMI-ANNUAL SALE.

We have been so busy during past few weeks that we have had no time to take our inventory.....The purchase of the "Evan," the "Jesmond," and other stocks and values given have kept us crowded from morning until night.....Though much remains we fear not but that we shall close our Winter stock—Profits may suffer, but we will surely sell.....As yet, we've never known the time that goods could not be sold if prices be but low enough and merchandise desirable.....If the elements but favor us, this week's sales will make a mighty increment to stock.....Prices will be right.

We fear not but that we shall sell when we do offer

### LADIES' CLOAKS

at prices such as these.
